Financial overview CING-CE 2021

Financial report CING-CE 2021

The financial situation for CING-CE is good.

We had **EUR 3.499,22** at the beginning of the year and ended the year with **EUR 3.926,73** resulting in a **total gain of EUR 427,51.**

Due to the corona pandemic continued effect there was again very little financial action in 2021.

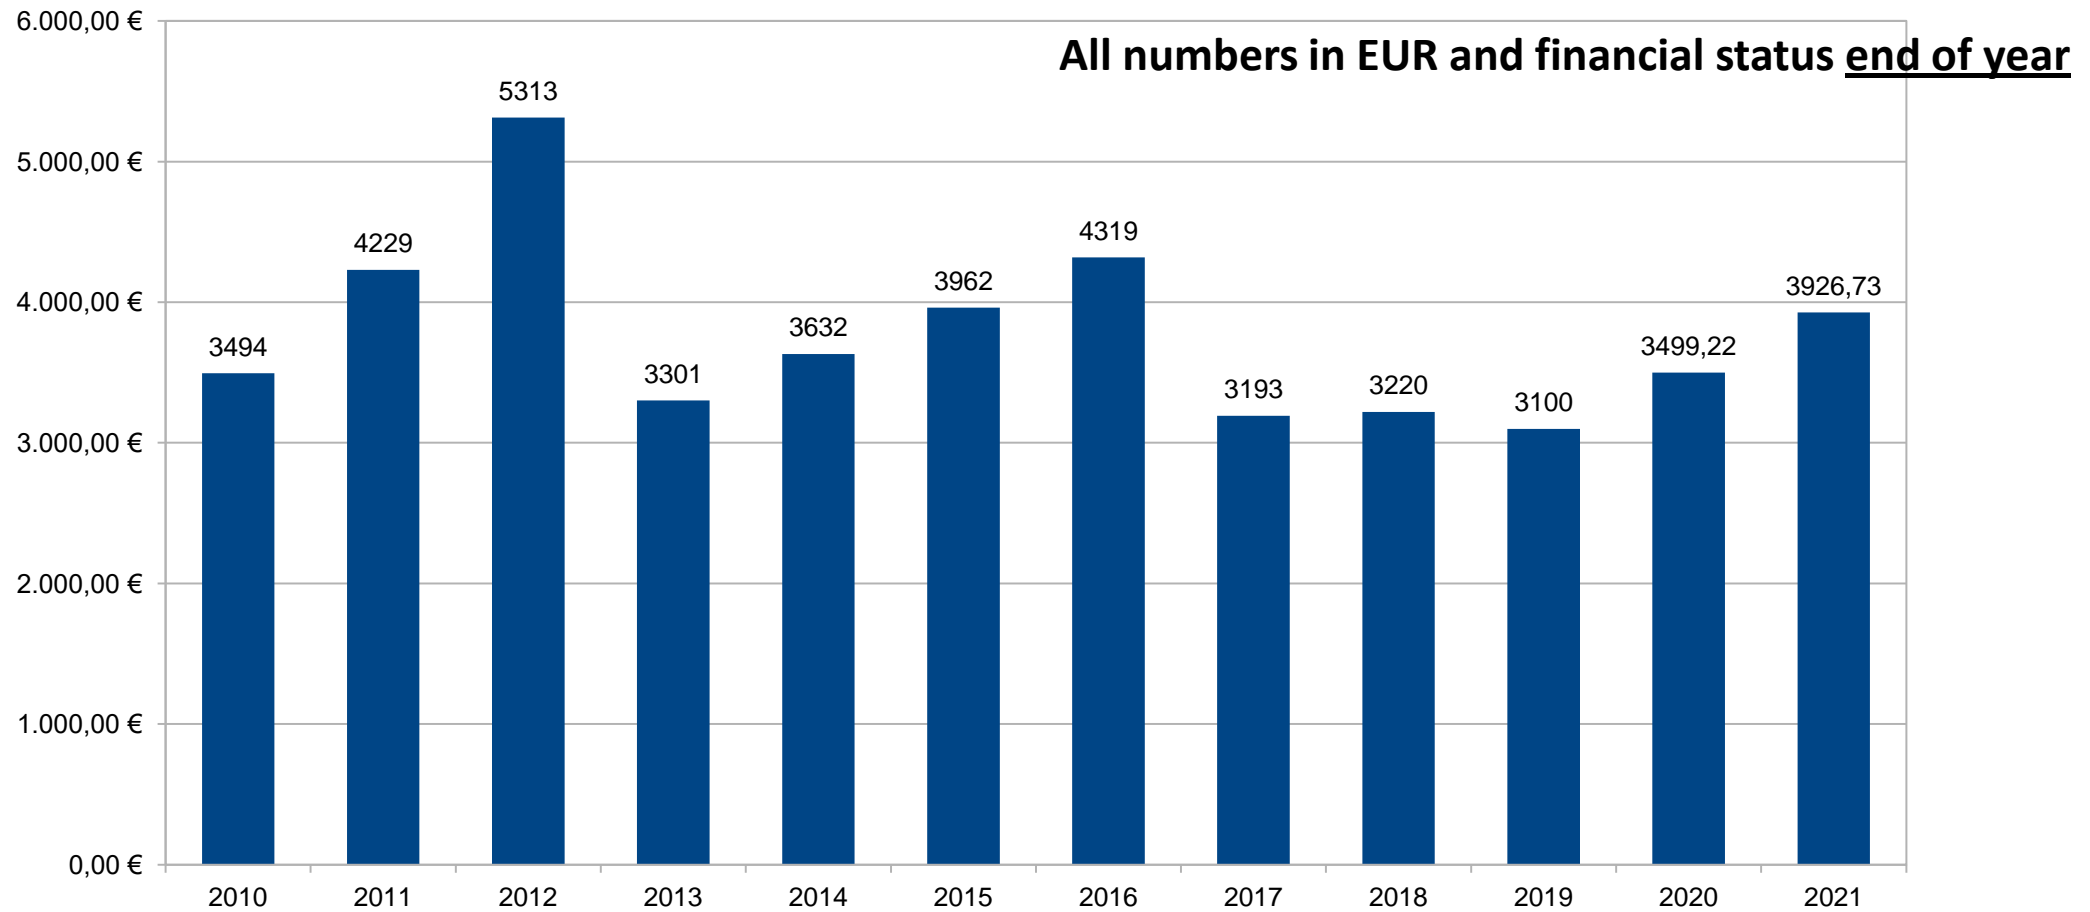

We received **EUR 1.000,-** from our CING mother for the planned AGM in Brussels 2021 which then did not take place.

Gains and losses CING-CE from 2010 to 2021

Financial development CING-CE from 2010 to 2021

Auditors Report

Report of Auditor for 2021

Freiburg, 2022-09-17

As auditor of Chalmers Alumni Association, subdivision Continental Europe, I have received and reviewed the records, receipts and accounting documents for the financial year of 2021. The accounting principles are carefully followed, and the transparency is total. All expenses are backed by receipts, invoices, money transfer confirmations and/or bank statements. Due to the corona pandemic, the AGM and one After Work were held online. In total there were only four transactions for the year, which made the revision quite easy.

I therefor recommend that the general assembly accepts the financial report as presented by the treasurer and I thank the treasurer for a work well done.

Best regards,

Bertil Alexandersson, auditor for CING-CE 2021
